

Dear Choir Parents,

Oct. 29, 2024

SwingFry is just three weeks away! Below you will find some information that will help you and your family plan for the big event! This is the Annual Northridge Choirs Fundraiser. We will be having a big party over at NHS filled with food and entertainment on Sat. Nov. 16. Dan's All You Can Eat Chicken and Fish will be served in the cafeteria and every middle school and high school choir will be performing in the auditorium for their scheduled time. Each choir with their specials will have approximately 20 minutes on stage. You may come and go before or after any set of songs.

Please remember that this is a Fundraiser. Prices are higher than a normal meal price so that we can raise money. Selling tickets for the dinner, selling bake sale items, making money off of the Silent Auction, and funds raised from the concession stand will help us build our MMPA accounts to help us fund NMS and NHS Choir Department needs throughout the year. Pleeeeee invite family and friends to help us raise money for our kids. These links will be found on the Northridgechoirs.com website. Links for Volunteering Position <https://www.signupgenius.com/go/10C0D4DAAAE2AA2F4C52-51205896-2024#/> WE ASK THAT ALL CHOIR PARENTS WORK TWO SHIFTS. You will find all kinds of jobs to pick from. This is a very big party and we cannot do it without everyone's help!

Additional links for Bake Sale and Silent Auction Donations can be found there as well.

We will be having a mandatory dress rehearsal for all choir students after school on Thursday, November 14. Students do not need to dress in their outfits for this rehearsal. It will be at the high school so you will pick up your child there. See below for the time and location:

If you can't stay for them to watch the two 20 minute performances, we have a make-up assignment that they can be given to complete at home. The groups that they watch are up to you, and your own schedule. We encourage our parents to sit with their children to monitor their behavior and enjoy this experience together. If you are working a volunteer shift or unable to sit with your child we would like our students to sit in the reserved seating made available for them so that they can be monitored.
